

Sick Leave Pool Enrollment

Current enrollment window open from May 1 through May 31

In 1998, CCEA negotiated with CCSD to create the Sick Leave Pool to give teachers with catastrophic illness or injury access to additional sick leave days above those they had accrued.

Since its inception, teachers could enroll in the pool only in the month of September. This timeframe excluded hundreds of new hires who start their employment after September. Acknowledging the need to extend the window, the CCEA Negotiations Team changed this during the 2013-2014 round of negotiations. The result: a second open enrollment period to take place in the month of May.

How does the Sick Leave Pool work?

- 1) Enrollment in the Sick Leave Pool is voluntary.
- 2) The open enrollment periods are September 1-30 and May 1-31 of each school year.
- 3) Enrollment is open to **any** teacher who has accrued six (6) days of unused sick days.
- 4) One (1) sick leave day is deducted from each teacher who joins the pool.

You only need to enroll in the pool once. If you

How do I access the benefit? Teachers with a catastrophic illness/injury, and who have enrolled in the Sick Leave Pool,

can apply to the oversight committee for days once their own sick and personal leave is used. Lifetime usage of the pool is limited to 100 days maximum per person; immediate family members are not covered under this provision.
