### Clark County II

q13. At the national level, the Republican party won control of the Presidency and both the Senate and the House of Representatives in the recent election. If nothing is accomplished in Washington, DC, whom will you blame the most?

### Clark County II

q13. At the national level, the Republican party won control of the Presidency and both the Senate and the House of Representatives in the recent election. If nothing is accomplished in Washington, DC, whom will you blame the most?

### Clark County II

q14. At the state level, the Republican party, led by Governor Brian Sandoval, continues to control the governor's office. Since the election, Democrats now control both the state Senate and the Assembly. If nothing is accomplished in the upcoming state I

### Clark County II

q14. At the state level, the Republican party, led by Governor Brian Sandoval, continues to control the governor's office. Since the election, Democrats now control both the state Senate and the Assembly. If nothing is accomplished in the upcoming state I

## Clark County II

q15. How important is it to you that Democratic leaders in the state legislature and the Republican governor put aside their differences and work together to solve problems facing the state, particularly on education?

## Clark County II

q15. How important is it to you that Democratic leaders in the state legislature and the Republican governor put aside their differences and work together to solve problems facing the state, particularly on education?

## Clark County II

q16. How optimistic are you that Democratic leaders in the state legislature and the Republican governor can put aside their differences and work together to solve problems facing the state, particularly on education?

## Clark County II

q16. How optimistic are you that Democratic leaders in the state legislature and the Republican governor can put aside their differences and work together to solve problems facing the state, particularly on education?

## Clark County II

q17. In your view, what is the very first thing legislators and the governor need to do to start solving problems facing education in Nevada?

## Clark County II

q17. In your view, what is the very first thing legislators and the governor need to do to start solving problems facing education in Nevada?

## Clark County II

q18. Last year, the Nevada Legislature passed a reform package, signed by the Governor, that fundamentally changed the way education is delivered in Clark County. Schools are moving from a system where the central district bureaucracy makes all the decisions

## Clark County II

q18. Last year, the Nevada Legislature passed a reform package, signed by the Governor, that fundamentally changed the way education is delivered in Clark County. Schools are moving from a system where the central district bureaucracy makes all the decisions

### Clark County II

q19. As a result of this reform package, the process of shifting control in Clark County from the central bureaucracy to individual schools to parents, teachers and principals has started. Which of the following comes closer to your opinion: ROTATE] ]This

### Clark County II

q19. As a result of this reform package, the process of shifting control in Clark County from the central bureaucracy to individual schools to parents, teachers and principals has started. Which of the following comes closer to your opinion: ROTATE] ]This

## Clark County II

q25. Moving away from a system where central school district bureaucracies make all the decisions, toward a system in which each local school allocates its budget, decides curriculum and tailors educational activities to its students' needs

## Clark County II

q26. Creating an equitable funding system so each school receives the money it needs based on what that school's students need, including special education, English Language learners, students living in poverty or gifted and talented students, rather than

## Clark County II

q40. If parents and teachers differ on reforming education, which side, parents or teachers, should state legislators pay more attention to?
