

Five Good Reasons to Support Steve Sisolak

1. He will fund Education and make sure our schools have adequate funding and smaller class sizes
2. He will make sure educators get the raises they deserve and will not take a salary until educators get a raise.
3. He will get the job done, working across the aisle to get legislation passed.
4. He will grow Nevada's economy to ensure good jobs are available for all Nevadans.
5. He is the ONLY candidate that can win in the General Election against the Republican Candidate.

CCEA has endorsed Steve Sisolak as our next Governor of Nevada. No other candidate has a track record of getting things accomplished like Steve. It is easy to make nice sounding promises. It is harder to make things happen. Steve can get the job done.
