

# Zero Copay Program

CerpassRx has partnered with your employer to provide you with a benefit we view as transformational within the healthcare industry.

We recognize the value of remaining compliant to your drug therapy. As a result, select generic medications for certain chronic disease states are available to you at no cost (\$0 copay). You can take advantage of this benefit at any network pharmacy and no additional enrollment is required.

Currently this program targets medications used for the treatment of diabetes, high cholesterol and cardiovascular conditions. This list contains the medications that can be dispensed for \$0 with a valid prescription.
