

Certificates of Completion from NGPF need to be [submitted via CCEA survey](#) for processing.

For each completed On-Demand module and Virtual Conference session, you will receive a 1-hour Certificate of Completion from NGPF.

For Certification Courses, you will receive a final Certificate of Completion after passing the Certification Exam (requiring a score of 80% or better) – this is what you will need to submit to CCEA, which will give you credit for the full 10 hours of the course. Please DO NOT submit multiple Certificates of Completion for each session of the course.

Note: At this time NGPF Virtual PD sessions WILL NOT count toward CCEA credit.

Certificates of Completion are loaded into your NGPF Teacher Account within 10 business days, once NGPF has reviewed and approved your participation.

1. Go to www.ngpf.org and create or log into your account
2. Click on “Account” in the upper right corner
3. Navigate to the “My NGPF Academy” tab
4. Click “View” next to the session name
